AMENDMENT

Dear Sir:

Please amend the title of this application, as it appears at the top of the first numbered page of the application, to read:

"MORTAR AND DEBRIS COLLECTION SYSTEM FOR MASONRY CAVITY WALLS"

This Amendment corrects a typographical error, namely an inconsistency in how the title of this application was set forth in the original application papers.

This requested amendment brings the title of the application, as presented on Page 1 of the application, into agreement with the title as presented in the Declaration of the application, as presented on the Abstract page of the application, and as presented on the transmittal letter that accompanied the application when filed. No "new matter" is introduced by this amendment.
